

AVINASH KUMAR.KR

B.E GRADUATE

EDUCATION

B.E / Electronics & Communication Engineering

SRM TRP ENGINEERING COLLEGE [2020-2024]

CGPA - 8.0

PROFESSIONAL SUMMARY

Highly motivated and detail-oriented graduate with effective skills in SQL, Python, Power BI, and Excel. Passionate about analyzing complex datasets to provide actionable insights and support data-driven decision-making. Seeking a challenging Data Analyst role to leverage my technical expertise and contribute to business success.

Portfolio : <https://avinash-kumar-portfolio-7fq4pe6.gamma.site/>

SKILLS

- Python for Data Science : Includes exposure to AI/ML concepts (Pandas,Numpy)
- Data Analysis Tools : SQL, Power BI, Excel
- Analytical Thinking
- Time Management
- Effective Communication (Verbal & Written)
- Problem-Solving
- Collaboration and Teamwork

PROJECTS

Wireless Power Transfer System for EV

- Designed a prototype for wireless power transfer using theory of transformer induction and adaptive robotic technology.
- WPT system uses solar energy to produce electric voltage.

Data Analysis : Sales Dashboard using Power BI

- Built an interactive dashboard to analyze sales trends, customer demographics, and product performance using Power BI.
- Utilized SQL to extract and preprocess raw data

Structural Health Monitoring Using ML

- Implemented a deep learning model using CNNs to analyze the imagery for automated post-disaster building damage detection.
- Developed a real-time anomaly detection and damage prediction system using sensor data and machine learning

ACADEMIC HISTORY

App Development Internship – National Small Industries Corporation (1 week)

- Worked on RS Logix 500 application development and enhancement.

IoT Online Internship – Verzeo (2 months)

- Built IoT projects like soil moisture sensors, agriculture automation, and home automation using Arduino Uno

Data Analysis Online Internship – Twilearn (1 week)

- Gained hands-on experience in data cleaning, analysis, and visualization using tools like Excel and Python.
- Worked on mini-projects to uncover trends and actionable insights from datasets

CERTIFICATION

- Data Science Fundamentals [Qspiders Training Institute]
- Advanced Microsoft Excel [Udemy]
- Power BI for Data Visualization [Udemy]
- Web Development - HTML [Udemy]
